Your manual should show this information. We sometimes buy scrap or tired Colchester Lathes and ancillaries for stripping, so that we can help keep old machines working when spare parts become obsolete. Please don't send them to the scrap yard! We have broken the following machines, as the following list, and many of the parts are still available:

Clausing 600 Lathe Manual - abcd.rti.org

None of the lathes carried Hawk or Condor badges and the "600" sticker, often found on the face panel or bed, was not a model number but referred to the "600 Group", the owners of Colchester, Harrison, Pratt-Burned and several other machine-tool companies.
