Good customer service can be the difference between being able to compete and survive and failing for small businesses. So I'm continually amazed at how many small business owners take a "wing and a prayer" approach to good customer service in their business; they hire what they think are good people and just assume that they'll do the right things - often without even bothering to do any ...

Good Customer Service Guide for Small Business

Good customer service is all about bringing customers back. And about sending them away happy - happy enough to pass positive feedback about your business along to others, who may then try the product or service you offer for themselves and in their turn become repeat customers.

The 8 Simple Rules for Good Customer Service

Customer service is the act of providing support to both prospective and existing customers. Customer service professionals commonly answer customer questions through in-person, phone, email, chat, and social media interactions and may also be responsible for creating documentation for self-service support.
