Prologue - Wattpad

Noah shakes his head. "Dorm Room 210 has been abandoned for a decade now. Haven't you been informed about the last boy and girl who shared this dorm? They hated each other's guts, doing pranks and whatnot on each other; creating a fuss wherever they went. They resembled animals." His steps are deliberately slow.

I'm going to let you in on a sad dorm statistic: 90% of all expensive things brought into a dorm room get stolen or broken before the first semester is over.

All right, I made that

statistic up. But REALLY, I know of so many stories where people bring expensive products or keepsakes (like jewelry) that end up getting stolen or lost and it's so sad.
