Amazon.com: first aid hard case

Chapter 2 Immunology only has 13 cases. Given that there aren't many to begin with, nine of those cases are microbiology. All recent versions of First Aid would categorize these cases as microbio as well. Chapter 3 Microbiology is a very large topic, so adding the nine cases to the existing 49 cases is fine.

First Aid Cases for the USMLE Step 1, Fourth Edition: Le ...

The difference is important! One of the biggest recordkeeping mistakes a safety professional can make is misclassifying a first aid case as a recordable injury or illness. However, it is a mistake that is easily avoided—OSHA provides a great deal of guidance on the distinction between the two types of incidents, and we'll pass on some of their tips here.

Was That Incident Recordable ... or Just First Aid? - EHS ...

OSHA's revised recordkeeping rule, which went into effect January 1, 2002, does not require first aid cases to be documented. For example: A worker goes to the first-aid room and has a dressing applied to a minor cut by a registered nurse. Although the registered nurse is a health care professional, the employer does not have to report the ...
