Hunter Ec User Manual
Create multiple user IDs with individual PIN numbers and two levels of access. Crew level access allows manual operations and the ability to view programming.Admin level access allows for modifying programming and other settings. When User Management is enabled, operators will be required to enter their pin before operating the controller.

ACC2 Decoder | Hunter Industries
For isolated sites and power-restricted areas, the Hunter NODE is the smart, reliable solution. The NODE mounts to a valve's solenoid quickly and easily, and without screws, drills or additional wires. The unit's solid construction and full waterproof exterior ensure it can handle the harsh environment of any valve box.

NODE | Hunter Industries
Quiet, variable speed EC motors power these energy-saving induction fans to provide cleaner, safer air quality, at lower cost. JetVent fans produce more air, much more quietly and efficiently than impulse fans and other induction ventilation fans, and eliminate costly ducting runs.
