International trade is the exchange of capital, goods, and services across international borders or territories because there is a need or want of goods or services.. In most countries, such trade represents a significant share of gross domestic product (GDP). While international trade has existed throughout history (for example Uttarapatha, Silk Road, Amber Road, scramble for Africa, Atlantic ...

International trade - Wikipedia

For international economics, you can refer either to Krugman or Salvatore. I had a look at both and preferred each one for different topics. And lastly, Debraj Ray will be very useful for the 'growth and development' portion of the exam. Read | UPSC Civil Services: Subject-wise book list for preparation .
