Nazi And The Psychiatrist

(nb: I received an Advanced Review Copy of this title from the publisher via NetGalley) Jack El-Hai's latest book, "The Nazi and the Psychiatrist," tells one of the lesser-known stories of post-World War 2: the psychological analysis of the infamous Nuremberg Trial defendants. It is a fascinating journey. The book follows Dr. Douglas M. Kelley, a celebrated Army psychiatrist.

Political abuse of psychiatry, also commonly referred to as punitive psychiatry, is the misuse of psychiatry, including diagnosis, detention, and treatment, for the purposes of obstructing the human rights of individuals and/or groups in a society.: 491 In other words, abuse of psychiatry (including that for political purposes) is the deliberate action of having citizens psychiatrically ...

Political abuse of psychiatry - Wikipedia

The Nazi and the Psychiatrist has yet to be published, but follows the relationship between American psychiatrist Dr. Douglas M. Kelley and Hermann Goering, one of Hitler's closest associates. It is the first account to access Kelley's notes from the period during the Nuremberg Trial, wherein Kelley gained regular access to top Nazi prisoners (including Goering).

'The Nazi and the Psychiatrist' Coming to a Theater Near You

For the first time in history, psychiatrists during the Nazi era sought to systematically exterminate their patients. However, little has been published from this dark period analyzing what may be learned for clinical and research psychiatry. At each stage in the murderous process lay a series of unethical and heinous practices, with many psychiatrists demonstrating a profound commitment to ...
