It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Do old Nintendo Power magazines have any value? - Classic ...

Nintendo Power produced a series of strategy magazines called Official Guides from Nintendo Power. The first one is simply called The Official Nintendo Player's Guide. Since Nintendo Power switched from a bi-monthly magazine to a monthly magazine in May 1990, every other issue is a strategy guide focused on a single game. Only four such strategy guides were released.
