Although tattoos is becoming gradually
accepted in the Singapore society,
tattoos are still being considered
deviance in certain areas of the society.
One such places whereby tattoos remain
a taboo and still frowned upon will be the
workplace. This research paper studies
the link between discrimination and
tattooed employees in Singapore.

tattoos are associated with outlaws and low-lives. This stigma surrounding tattoo culture dates back to colonization.

Let's talk about the taboo of tattoos - Cosmopolitan Sri Lanka

Tattoos don't change the person, only the point of view that others have on that person. Tattoos do not implicate criminality or reflect negative qualities within the person. Therefore the social taboo of tattoos in society should be ended and welcomed with "inked up" open arms. Many people are proud of their body art.
