### The New Wine Is Better

But new wine must be put into new bottles; and both are preserved. No man also having drunk old wine straightway desireth new: for he saith, The old is better. — Luke 5:36-39 , KJV

### New Wine Into Old Wineskins - Wikipedia

New Zealand wine is produced in several of its distinct winegrowing regions. As an island country in the South Pacific Ocean, New Zealand has a largely maritime climate, although its elongated geography produces considerable regional variation from north to south.Like many other New World wines, New Zealand wine is usually produced and labelled as single varietal wines, or if blended ...

### New Zealand wine - Wikipedia

We apply a philosophy of care and craft to every wine we make – from grape to glass – in concert with the stunning soil, climate and terrain of our New Zealand wine regions. It's that combination that makes our New Zealand wines so unique and why Babich wines are sought-after in shops, restaurants and bars all around the globe.
