The Nine Nations Of North

The Nine Nations of North America is a 1981 book by Joel Garreau, in which the author suggests that North America can be divided into nine nations, which have distinctive economic and cultural features. He also argues that conventional national and state borders are largely artificial and irrelevant, and that his "nations" provide a more accurate way of understanding the true nature of North American society. The work has been called "a classic text on the current regionalization of North America".

The Nine Nations of North America - Wikipedia

"The Nine Nations of North America" came out in 1981. Now, thirty-four years later, it's very close to being as timely as when it was written. Over several years, the author criss-crossed the USA, talking to people, doing research, and getting a real feel for how the various regions of the country operate, what they consider important, and how they get along with the rest of the country.
