If you are creating an in-text citation for a dictionary entry, you would follow APA's standard in-text citation guidelines of including the first part of the reference and the year. For example, your in-text citations might look like this: (Merriam-Webster's Collegiate Dictionary , 1999) or (Onomatopoeia, n.d.).

Balliol College (/ ' b eɪ l i ə l /) is one of the constituent colleges of the University of Oxford in England. One of Oxford's oldest colleges, it was founded around 1263 by John I de Balliol, a rich landowner from Barnard Castle in County Durham, who provided the foundation and endowment for the college. When de Balliol died in 1268 his widow, Dervorguilla, a woman whose wealth far ...

Balliol College, Oxford - Wikipedia

The concept of moral panic was first developed in the United Kingdom in the early 1960s, principally by Stan Cohen, initially for the purpose of analyzing the definition of and social reaction to youth subcultures as a social problem. Cohen provided a "processual" model of how any new social problem would develop: who would promote it and why, whose support they would need for their ...
