The Fifth Amendment, sometimes called the rights of persons, provides protections that are essential to protecting a person's life, liberty, and property. Find out more on FindLaw.

Fifth Amendment - U.S. Constitution - FindLaw

Legality of the Threat or Use of Nuclear Weapons [1996] ICJ 2 is a landmark international law case, where the International Court of Justice gave an advisory opinion stating that there is no source of law, customary or treaty, that explicitly prohibits the possession or even use of nuclear weapons. The only requirement being that their use must be in conformity with the law on self-defence and ...

Advisory opinion on the Legality of the Threat or Use of ...

It is an important general principle of international law and public law, which predates European Union law. As a general principle in European Union law, it means that the law must be certain, in that it is clear and precise, and its legal implications foreseeable, especially when applied to financial obligations.
