The Rabbits The Arrival

Nick Stathopoulos: Although on the surface The Rabbits may seem to be an allegory of white man's arrival and subsequent rape of Australia, this book is more... much more. Not only has illustrator Shaun Tan imbued this project with his distinctive style, his evocative, colourful, sometimes whimsical paintings add new depth and subtext.

THE RABBITS - The Arrival - MAFIADOC.COM

The Rabbits is a story that depicts the intrusive destruction that an individual society or animal can cause to another. In the story rabbits invade a land that is already inhabited by a society. When the rabbits arrive, they take over. Many start building large cities that devastate the land.

The Arrival - Reading Australia

The Rabbits by John Marsden and Shaun Tan is an abstract take on the effect of man on his environment. The story begins by describing the arrival of the "Rabbits" who are representing colonizers. As the rabbits slowly begin to settle in, the Native peoples of the land (Marsupials of some sort) are quite curious about them but are told to be careful of their ways.

The Rabbits - EDCI 305A - Drama Education: A Medium for ...

The Rabbits is an allegorical rendering of the colonization of Australian by Captain Cook in 1778. The white rabbits who arrive by ship carrying muskets and equipped with surveying tools are of a quite peculiar breed of soft, furry and fuzzy little mammals.
