It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

The Sticky Faith Guide For

The Sticky Faith Guide for Your Family addresses one of the top current concerns about youth and the church: the reality that nearly half of all young people raised in Christian families walk away from their faith when they graduate from high school. That's the bad news.
