### The Terminator Randall Frakes

The T-5000 is an advanced model Terminator series produced by Skynet near the end of the Future War from an unknown alternate timeline. It was directly observed that Skynet had transferred its consciousness into a T-5000 unit in order to travel to the Original timeline and infect John Connor, turning him into a T-3000 unit while killing his Tech-Com squad. The T-5000 possesses the ability to ...

### T-5000 | Terminator Wiki | Fandom

The T-1000000, also referred to as the T-Meg, was a gigantic, spider-like Non-Humanoid Hunter Killer entirely made of the same mimetic polyalloy as the T-1000. It defended Skynet's central core from attackers. The T-1000000 is apparently not capable of mimicking subjects as the Series 1000 Terminator can, but is instead capable of metamorphosing from an apparently solid part of Skynet's ...
