While there thousands of eBooks available to download online including the ones that you to purchase, there are many websites that offer free eBooks to download.

The Threes Three Singing Pigs

The rule of three is a writing principle that suggests that a trio of events or characters is more humorous, satisfying, or effective than other numbers. The audience of this form of text is also thereby more likely to remember the information conveyed because having three entities combines both brevity and rhythm with having the smallest amount of information to create a pattern.

Although the fairy tale is a distinct genre within the larger category of folktale, the definition that marks a work as a fairy tale is a source of considerable dispute. The term itself comes from the translation of Madame D'Aulnoy's *Conte de fées*, first used in her collection in 1697. Common parlance conflates fairy tales with beast fables and other folktales, and scholars differ on the ...
