Transformative Change An Introduction to Peace and ...

In a nutshell, transformational change has been described from different perspectives. According to Head (1997), transformational change refers to change in the structure, culture and key processes of an organization. As per Chapman (2002), transformational change requires changes in the attitude, beliefs and values of the employees.

Transformational Change and Change Management

The purpose of transformative education is to empower learners to see the social world differently and through an ethical lens, so that they will challenge and change the status quo as agents of change. The status quo is upheld by current power relations. Power dynamics are inherent in any social sphere (e.g. health professions education).

Transformative education - Teaching-for-Transformation

I chose Transformative Change as the central text for Foundations of Peace and Conflict Studies (PCS 305) at University of North Carolina Greensboro this semester. Undergraduate students responded very favorably to the well organized, well referenced and well illustrated chapters that define the elements of the emerging field of Peace and Conflict Studies.
