the Inspections and Investigations functions of the Joint IG system. For example, during an inspection the Joint IG may receive Joint Inspector General Action Requests (IGARs) with either issues and / or allegations following interviews and sensing sessions. Likewise, a simple request for assistance may require an inspection to resolve,

JOINT INSPECTOR GENERAL ASSISTANCE GUIDE

Over the past 6 years, the working group's activity has focused predominantly on sharing plans for and outcomes of inspections. On specific sites of high interest this includes exchange of inspection reports. Joint inspections conducted during the pilot phase indicated a high degree of confidence among participating authorities.

Report on the international API inspection programme 2011-2016

For the last several years, The Joint Commission's semiannual list of the most-cited standards has read like a scene from Groundhog Day. Essentially, the same 10 standards are cited over and over; Environment of Care (EC) and Life Safety (LS) issues routinely top the list, while a couple of other standards rotate in and out.
