An accessible treatment of linear programming introduces students to one of the greatest achievements in algorithms. An optional chapter on the quantum algorithm for factoring provides a unique peephole into this exciting topic. In addition to the text, DasGupta also offers a Solutions Manual, which is available on the Online Learning Center.

Anti-fog agents, also known as anti-fogging agents and treatments, are chemicals that prevent the condensation of water in the form of small droplets on a surface which resemble fog. Anti-fog treatments were first developed by NASA during Project Gemini, and are now often used on transparent glass or plastic surfaces used in optical applications, such as the lenses and mirrors found in glasses ...

Top Google rankings are a pinnacle of online business success. According to Backlinko, the first result on Google gets 31.7 percent of all clicks — while results on the second page receive just .78 percent of clicks.. I've talked to a lot of business owners and managers - newbies and veterans alike - who have struggled to unlock the secrets of how to improve their Google ranking ...
