It's well-judged in this regard; the basis of the book is plausible enough to create intrigue. That plausibility continues because Brad Manuel describes in great detail how the characters restore some of the basic human needs without modern conveniences; water, food, shelter, power, warmth, transport etc.

The wisdom from the Big Book isn't limited to 10 quotes. Its words and interpretations are left up to the reader to use as they choose. There is comfort in knowing you aren't alone, that what you're feeling isn't unusual, and that there is a solution. The Big Book has given me that comfort and the push to move forward.
