**Amazon.com: campbell biology reece 10th edition**

Loved the price to rent this textbook for my biology class. It is the same thing and same diagrams as the 10th Edition (compared side by side with another student) the pages are just slightly off by one or two, not bad at all. Do not waste your money on the 10th Edition when the 9th is a lot cheaper to rent and is practically the same thing.
