1969 Honda unveiled the CB750 at the Tokyo Motor Show in late '68, but it didn't hit the market until early '69. It is impossible to overstate the impact this bike made, as the first modern mass-market four, and the first mass-market bike to come with a disc brake. Until well into 1970, CB750s were made with sand-cast, not die-cast engine ...
