### China Fast Forward The Technologies

As the country meets global challenges on a scale that few nations can match, China Fast Forward takes a look at what lies ahead and why China's success is important to us all. In this book, Bill Dodson explores China's reincarnation from a closed, agrarian nation into a modern, high-tech superpower bent on literally cleaning up its act.

### China Fast Forward: The Technologies, Green Industries and ...

"China Fast Forward clearly illustrates how China has strategically integrated the technologies and industries of other countries to grasp at the mantle of Innovation Nation. The book shows through research, interviews and anecdote how a 21st-century China can become an even more formidable force in the world when it unleashes its own innovation engine."
