How We Return and Why It Matters, Part 1 of 2 - Brené Brown

Certainly, an extraordinary claim that requires extraordinary evidence, as posits the Sagan standard. Despite the well-founded unease at Dr. Pais's inventions, the Navy took them seriously enough to run experiments for three years and even found some of them "operable," although the extent of that alleged operability is under debate.

Power, influence growing for SEC Commissioner Greg Sankey

Tonight, we gather to affirm the greatness of our nation — not because of the height of our skyscrapers, or the power of our military, or the size of our economy. Our pride is based on a very simple premise, summed up in a declaration made over two hundred years ago: "We hold these truths to be self-evident, that all men are created equal.

Obama's Inspiring 2004 Democratic Convention Speech

Some might question why it matters that there are people out there who believe this event was fake. Belief in the hoax takes away from the fact the 20 real children were really murdered. It disrupts the grieving process of the parents and lifts the burden of guilt off Adam Lanza's shoulder and places it on the government shoulders.
