3. Avoid the second-person narrative. An important part of the narrative essay is the fact that the writer experienced the events described. Example: As you go in the door, you will turn and see a TV. You look around and see posters on the wall. As you go further in you notice everyone is watching M*A*S*H.

5 Tips for Writing a Good Narrative Essay | FreelanceWriting

Narrative Structure. You're likely to see a lot of variation in the structure of narrative arguments. In many cases, your professor may want you to write a traditional introduction with a thesis statement and then use the body of your essay to tell your story. You may also be asked to include a traditional conclusion at the end.
