Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

The third edition of Exploring Creation With Physical Science The company that initially published my science textbooks has been slowly coming out with new editions, which is necessary. Science constantly changes, which means the textbooks must change as well. So far, I strongly recommend two of their new editions: The Human Body, 2nd Edition and Exploring Creation With Marine Biology, 2nd ...
