Fasting Girls The History Of

A fasting girl was one of a number of young Victorian era girls, usually pre-adolescent, who claimed to be able to survive over indefinitely long periods of time without consuming any food or other nourishment. In addition to refusing food, fasting girls claimed to have special religious or magical powers. The ability to survive without nourishment was attributed to some saints during the Middle Ages, including Catherine of Siena and Lidwina of

Fasting girl - Wikipedia

It starts with accounts of saints who lived on little or no food, and then moves to 19th century cases of "fasting girls" who claimed to be able to live without eating. Anorexia emerged as a psychological disorder in the 19th century when doctors theorized that middle class daughters used it as a way to distinguish themselves in their prosperous families.
