Ford TW 10 | TW 20 | TW 30 Tractor Service Manual

It was during this period, from 1928-1939, that Ford lost their dominance of the American tractor market. Owing to the higher cost of importing Ford farm tractors from Ireland, and then Britain, and to the development of newer models by American competitors that made the Fordson look obsolete, Ford's market share slipped, eventually to a low of five percent.
