Justice A History Of The

In many cases, “justice” was dished out by townspeople who could be deputized with police powers by a lone sheriff or constable. Sometimes, justice was a violent and highly personal affair—even the aristocracy settled scores with formal pistol duels that were sanctioned by policy or custom.

History Of The US Justice System | Stacker

Early theories of justice were set out by the Ancient Greek philosophers Plato in his work *The Republic*, and Aristotle in his *Nicomachean Ethics*. Throughout history various theories have been established. Advocates of divine command theory have said that justice issues from God.

Justice - Wikipedia

This book presents a historical overview of thinking about justice in the West from ancient times to the present. Justice in the ancient world is explained as grounded in the concept of reciprocity, and Johnston argues that the history of justice in the West can be understood as a history of changes in, and challenges to, the idea of justice as reciprocity.
