Less And More The Design

True to the principle of "less but better" his elegantly clear visual language not only defined product design for generations, but also our fundamental understanding of what design is and what it can and should do. Less and More offers boundless inspiration for anyone interested in the aesthetic and functional aspects of applied design.

Less and More offers boundless inspiration for anyone interested in the aesthetic and functional aspects of applied design.

Less and More - The Design Ethos of Dieter Rams - gestalten

Less and More: The Design Ethos of Dieter Rams refers to the legendary German industrial designer's expansive neo-modernist stance in its title, and that generosity of spirit suffuses the entire book, which documents an exhibition that's traveled from Osaka's Suntory Museum to the Design Museum in London and finally to the Museum fur Angewandte Kunst in Frankfurt. The title makes it sound like a monograph, but the book isn't simply about Rams.

Less and More: The Design Ethos of Dieter Rams by Keiko ...

While the book's title Less and More nearly demands to be mistyped as Less is More, Rams himself explained his design approach as "Weniger, aber besser," which translates roughly to "Less, but Better," but the book remains indicative of its title. Consisting of nearly 800 pages (more), it has a nearly flimsy cover (less), that comes in a box (more) wrapped in a plastic wrapper (much more).

Book Review: Less and More: The Design Ethos of Dieter ...

5.0 out of 5 stars Less Is More: The Design Ethos of Dieter Rams. Reviewed in the United States on March 13, 2013. Verified Purchase. One of the best books I now own. Every design freak like me must have this. Simplicity is elegance was the thrust of his work, and nowhere have I seen it taken to these levels. His work has obviously influenced ...

Less Is More, or How Minimalism Changed Graphic Design ...

Interestingly, Van der Rohe is credited with first applying the phrase "less is more" to design, making him an icon in the minimalist movement that shaped much of the modern era. The less-is-more attitude quickly moved from architecture to other arts and industries - interior and industrial design, painting, and music.
