I'm looking for a manual for a 4 HP 2-stroke Mercury outboard from 1981. It's Belgian made, two cylinder, serial # 9321742, although Mercury advised that I'd need to put a zero before the serial number (so, 09321742). I believe it's model 4200 (or 1004200). Thanks, Steve #46, branden
