Practical Sheep Dairying: Care and Milking of the Dairy ...

Dairy sheep are intelligent, kind and easy to domesticate. The main breeds used in sheep dairying in Britain are the Friesland, Lacaune, British Milksh sheep and some Dorset crosses, the Friesland being the most common and highest yielding, with its distinctive "rat-tail" which is free of wool which helps to keep its rear end clean whatever the weather conditions without having to dock the tail.
