Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

Preppers Survival The Preppers Urban

The life of an urban prepper is complicated, and they have to struggle much more than the rest of us. For some, bugging out will be their only chance of survival, while for others, it
