It's disappointing that there's no convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious.

Psychology In Action Karen Huffman

Psychology in Action, 12e is a comprehensive introductory Psychology product that fosters active learning and provides a wealth of tools that empower students to master and make connections between the key concepts. Students will leave the classroom with a solid foundation in basic psychology that will serve them in their daily lives no matter what their chosen field of study and career path.

Rent Psychology in Action, 12th Edition for \$39 from Wiley ...

Psychology is the science of mind and behavior. Psychology includes the study of conscious and unconscious phenomena, including feelings and thoughts. It is an academic discipline of immense scope, crossing the boundaries between the natural and social sciences. Psychologists seek an understanding of the emergent properties of brains, linking the discipline to neuroscience.
