The trombone developed from the trumpet.Up until 1375 trumpets were simply a long straight tube with a bell flare. There are various uses of sackbut-like words in the Bible, which has led to a faulty translation from the Latin bible that suggested the trombones date back as far as 600 BC, but there is no evidence of slides at this time.. From 1375 the iconography sees trumpets being made with ...

Thorens today announced two new turntables: the TD1500 and the TD403. The 1500 takes its design cues from the iconic TD 150 introduced in 1965 that according to Thorens's press release featured for the first time in a mass produced turntable a spring suspended sub-chassis with a flat belt driven inner platter. However, the AR-XA introduced in 1961 had this design feature and sold 100s of 1000s ...
