Smashing WordPress Themes: Making WordPress Beautiful by ...

You could build the best WordPress theme in the world, but it won't matter unless people know about it and use it. One of the smartest things I did when starting my theme business was to release a free theme. It took a while for it to gain traction, but things took off once it got some attention from being featured on other websites.

Building WordPress Themes You Can Sell - Smashing Magazine

WordPress has really been a game-changer for creating websites for not so tech-savvy people like authors, writers, fashion bloggers, etc. If you'd ask someone in the early '20s to create a website for you, it would probably cost you a few thousand dollars to do so. Thankfully, WordPress came in 2013 and
