Sociology Of Education In Canada

The sociology of education is the study of how public institutions and individual experiences affect education and its outcomes. It is mostly concerned with the public schooling systems of modern industrial societies, including the expansion of higher, further, adult, and continuing education.. Education is seen as a fundamentally optimistic human endeavour characterised by aspirations for ...

Sociology of education - Wikipedia

Hons.B.A. Honours Sociology (Specialist Option) (BA) Sociology is the study of individuals and groups in patterned behaviours. We study social processes and social institutions in areas such as the family, education, health, social inequality, immigration and race and ethnic relations, paid and unpaid work and politics.

Department of Sociology

Sociology of education is the process of scientifically investigating the institution of education within the society-how the society affects it, how education influences people in the society in return, and the problems which might occur as a result of the interaction between the two (Chathu, 2017).
