The task of this section is to give an overview of Kevin Lynch 's theory of urban form, as set out in his book The Image of the City. City image is important because the ability to recognize objects in our environment is cr itical to our ability to act and function in places effectively (Lynch, 1981).

KEVIN LYNCH MAPPING METHOD : CHAPTER TWO
The Image of the City was published over 20 years ago, and it is still listed in bibliographies. 1 It is time to wonder what it led to. The research was done by a small group with no training in the methods they used, and no literature to guide them.
