Any thoughts, suggestions, ideas on getting a hold of Trane's Rover software? I've tried the local Trane dealer and they're being difficult, the price I got was ridiculous, not to mention they won't return phone calls or give me an answer if they will even sell it to me. Any ideas are much appreciated.

I was able to purchase both Rover Comm 4 and Comm 5 version 7 through our local Trane office a couple years ago. These sales had to go through the BAS department, not the parts department due to their internal procedures. It was fairly easy to do however we purchase a significant amount of parts and equipment from them.
