A Uniden NASCAR scanner is a radio that can automatically scan frequencies for NASCAR and other automobile races. The device can also scan police and fire department frequencies, NOAA weather transmissions, utility companies, amateur radio, railroads, and business and industrial radio transmissions.

How to Reset a Uniden NASCAR Scanner | Techwalla

A: To program this scanner manually, you will first want to make sure that everything is deleted out of it first, like the preprogrammed states such as Alaska. To do this you will want to turn off the scanner. While it is turned off you will push in and hold in the 2, 9, and Hold keys. Continue holding these down while you power on unit.
