Students compare maps of European borders at three points in history: after World War I, after World War II, and the 2011 European Union (EU) expansion. Students use the political borders that have changed and those that have remained the same, and compare those to what they know about cultural and physical geography in Europe and in Asia. ...

World War I: America's Role - National Geographic Society

The French & Indian War marked a turning point in history. The expense of the War caused Britain to rely more heavily on its empire, and the new British colonies began to provide military support for France's American allies.

The Civil War was a brutal war that lasted from 1861 to 1865. It left the south economically devastated, and marked the culmination of slavery in the United States. Confederate General Lee surrendered to Union General Grant in April 1865, officially ending the war. The Confederate diaspora and the country were reunited.

Over Here: The First World War and Postwar Society 25th Anniversary Edition

The Great War of 1914-1918 confronted the United States with one of the most wrenching crises in the nation's history. It set in motion a transformation of American society that would shape the course of the country, the world, and international relations for generations to come.

World War I and Postwar Society - The African American Experience

African American regiments in World War I were usually accompanied by bands. The most famous was the 369th New York Infantry Band, better known as the "Hellfighter" Band. The band's memorable military marches provided a steady stream of music and morale building, creating a sense of social bonding.

Justice Society: World War II (2021) - IMDb

War - Wikipedia

War is an intense armed conflict between states, governments, societies, or paramilitary groups such as terrorists. Wars are characterized by extreme violence, destruction, and morbidity, using organized and large-scale military force. Warfare refers to the common activities and characteristics of types of war, or of each specific armed conflict.
